Thunder Tiger Corporation guarantees this model kit to be free from defects in both material and workmanship. The total monetary value under warranty will in no case exceed the cost of the original kit purchased. This warranty does not cover any components damaged by use or modification. Page 2 INTRODUCTION The Thunder Tiger EB-4 S3 was designed as a whole new off-road 4WD nitro-racing buggy, especially on a high-speed and bumpy off-road track. There's no doubt that the innovation would be the very first priority of our design team. We have set this buggy far ahead of the current form of existing buggy design in the market in terms of the future designing trend. 3. If the fuel gets onto your skin, wash it well with soap and water. WARNING 1. Improper operations may cause personal and/or property damage. Thunder Tiger and its distributor have no control over damage resulting from shipping, improper construction, or improper usage. ITEMS REQUIRED FOR ASSEMBLY Notice: The following items are required for completion of the EB-4 S3. Some of them are not included with this kit (unless noted), and should be obtained from the local hobby shop nearby you.
